Abdullah Awwad

Ramallah, Palestine abdallah22awwad11@gmail.com 0592746048

SUMMARY

Hi there! I'm Abdullah, with a Bachelor's degree in Telecommunication Engineering. Passionate about core networks, I'm eager to make a positive impact. With a strong academic background and a genuine curiosity to learn, I bring enthusiasm and dedication to every opportunity.

EXPERIENCE

Research assistant | Arab American University | Jenin, Palestine | August 2021-November 2023

• Working on Academic research on several subjects
• Reading and analyzing resources
• Working with different types of components such as supplies

Mobile Technical Engineer | several mobile stores | Nablus, Palestine | November 2023 -Jun 2023

• Used to deal with Mobile Mother Board components
• Mobile programing software
• Mobile telecommunication systems and CPU’s

PALTEL - JAWWAL| Nablus, Palestine | August 2023 -November 2023

• Assisted with various tasks and projects such as tower deployment and RF optimization.
• Optical Fiber materials, basic transmission, and connection basics.
• Frequency Planning and optimization
• Metro Network and Data transmission concepts

EDUCATION

Bachelor of Telecommunication Engineering || Arab American University, Jenin | AAUP | 2023

CERTIFICATIONS

Mobile technician |
• Certified in (mobile software solutions, fault tracking, and hardware repairing)

CCNA | in progress
• in the middle of a course preparing to take the exam.

Arduino |
• Certified in (programming Arduino chips and built several projects)

TOEFL |
• (C1) English level

Integrated Telecommunication |
• Certified in (Mobile communication, optical transmission, and microwave transmission)

Computer formats |
• Certified in (Basic computer software problems)

EXTRACURRICULAR ACTIVITIES

Member | Arab American University, Jenin | Institute of Electrical and Electronics Engineers (IEEE)| 2021 - 2023
• Participated in competitions like IEEE Extreme and Code Fighters and much more.

SKILLS

•Fluent in English

• Professional using Microsoft programs.

• Flexibility on call for 24/7 and accepting criticism.

• Mobile fixing and disassembly

• Knowledge about networking protocols such as RSVP

• Valid Driving license

• Good understanding of Mobile generations and basics such 3G,4G...etc. and GSM, OFDMA, WCDMA…etc.

Languages

•Arabic: Mother tongue

• English: C1

•Hebrew: A1
